Park(*ing*)Day

Asheville, NC | Oct. 3, 2020

South Market Street

Firm: MHAworks
Contractor: Beverly-Grant
Material Donor: Builders FirstSource
Other Partners: City of Asheville and LEAF Global Arts Organization

This project is a three-tiered raised platform wood construction parklet.

Top tier is accessible with built in bench seating.

The bottom two tiers are open to provide flexible space for community use as well as allow the LEAF Global Arts organization outdoor opportunities to teach art classes.

The railing design was inspired by and painted by the students and members of LEAF Global Arts.
