

AIA North Carolina and the North Carolina Architectural Foundation Kamphoefner Prize

Established by Henry and Mabel Kamphoefner, the Kamphoefner Prize encourages individuals and firms to pursue the fundamental principles of the modern movement in architecture. The \$10,000 prize is awarded annually at the Summer Design Conference as funds permit.

Eligibility

The prize will be awarded to a licensed architect, or architectural firm currently practicing in North Carolina which has, for a sustained period of not less than 10 years, consistently contributed the most to the progress and excellence in the development of the Modern Movement in architecture. This is best understood by reading the words written by Henry Kamphoefner for the award certificate:

“The selection committee for this award believes that the chosen architect has demonstrated a consistent integrity and devotion over an acceptable period of time to further the development of the modern movement in architecture without yielding to any of the undesirable current clichés, neomodernistic mannerisms or artless historicism that have flawed the building culture of today.” – *Henry Kamphoefner*

The candidate must be a member of the North Carolina Chapter of the American Institute of Architects.

Nominations

Nominations may be made by members of AIA North Carolina and the Kamphoefner Prize Committee. The committee is comprised of the past recipients of the Kamphoefner Prize. Nominations are due by August 17, 2023.
